

# ASSEMBLY INSTRUCTIONS

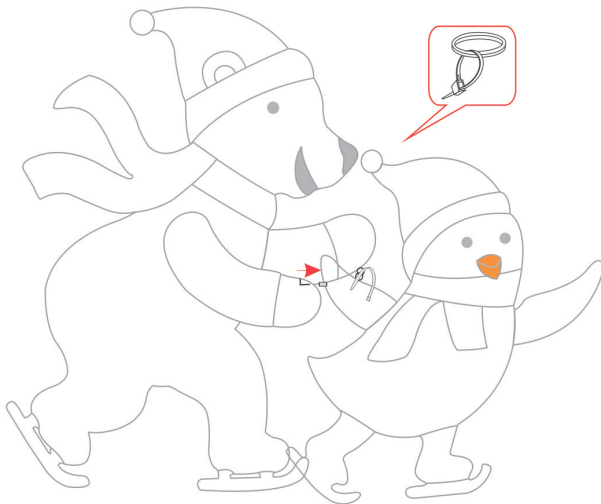

Insert the bear's head rods into the tubes on the bear's body. Use the zip tie supplied to fasten.

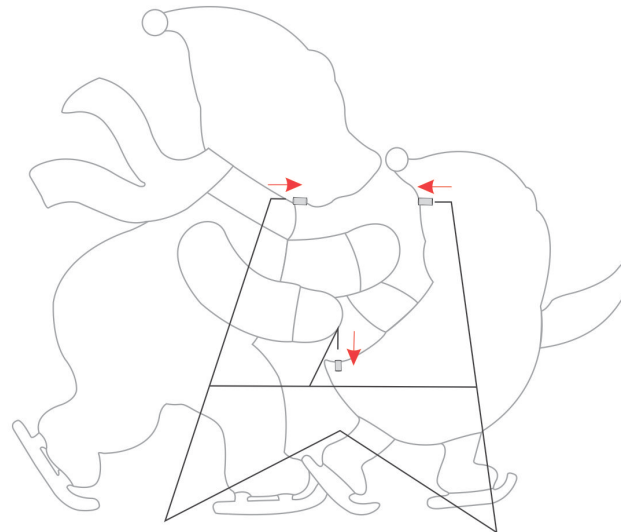

Attach the bear's hands and scarf as shown.

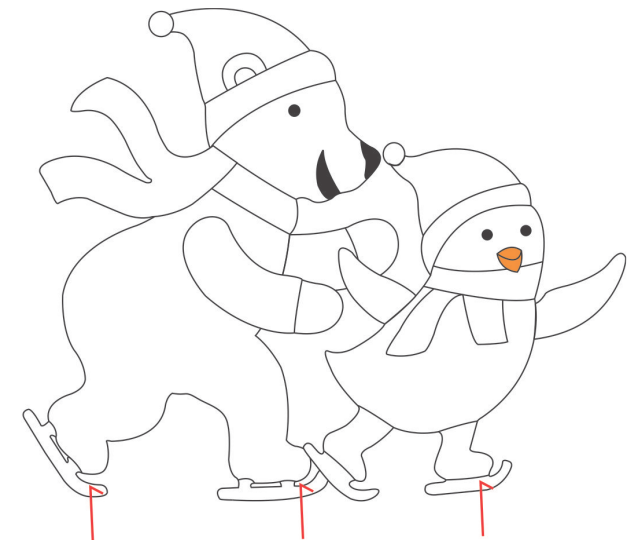

Attach the penguin's wing to the body as shown.

Insert the bear's rod to the penguin's tube. Use the zip tie supplied to fasten where the two circles meet.

On the back, assemble the metal support stands as pictured.

If using outdoors, secure by using the lawn stakes provided.
