

## ITEM NO: T5415

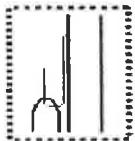

### Assemblage Instruction

This finial contains 12 parts. Please see the following steps to assemble the finial.

1. Unwrap all the parts in the box.
2. Insert the rod 1 into part #1.
3. Align the wire of rod 1 with the spring of part 1.

4. Bend the wire hooked the spring.

5. Use connector to connect rod section 1 and 2 to form a longer rod
    - Important Note: each connection should be screwed firmly.
  6. Insert part # 2, # 3, # 4, # 5, # 6, # 7, # 8, # 9, #10, #11 respectively.
  7. Screw Part # 12 flat tightly on the top of the ornament.
- The assemblage is completed and finial is ready to display.
